

COMMONWEALTH OF KENTUCKY
KENTUCKY BOARD OF SOCIAL WORK
CASE NO. 20-15

ENTRUSTED
OCT 29 2020
BY: *[Signature]*

IN RE: THE LICENSE TO PRACTICE SOCIAL WORK IN THE COMMONWEALTH OF KENTUCKY
HELD BY REBECCA J. COMBS, LCSW, LICENSE NO. 3833

AGREED ORDER

Come the parties, the Kentucky Board of Social Work (the "Board") and Rebecca Combs ("Licensee"), and both having been fully informed regarding the matters set forth herein and desiring to settle this matter without the necessity of a hearing on the merits, do hereby agree as follows:

STIPULATION OF FACTS

The parties stipulate the following facts, which serve as the factual bases for this Agreed Order:

1. At all relevant times, Rebecca J. Combs, LCSW, was licensed by the Board to practice clinical social work within the Commonwealth of Kentucky and was subject to the laws and rules of Kentucky regulating the practice of social work as established in Kentucky Revised Statutes Chapter 335 and Kentucky Administrative Regulations 201 Chapter 23.
2. At all relevant times, Licensee was approved by the board to contract with and provide clinical social work supervision to qualified certified social worker supervisees in accordance with KRS 335.080(3), KRS 335.100(3) and 201 KAR 23:015 and 201 KAR 23:070.
3. At all relevant times, Licensee was employed by Go-Hire Employment and Development, and assigned as an LCSW to provide clinical social work services to clients of a community mental health center in southeastern Kentucky.

4. The Board initiated a request for information from the Licensee upon approving the proposed clinical supervision contract for the Licensee to provide clinical supervision to Bonnie Strong, CSW (hereinafter "Strong"). The Board alleged that Strong had been providing clinical social work services beginning on or about June 4, 2019 when the board issued Strong a temporary permit to practice clinical social work, under the supervision of Licensee. On September 17, 2019, Strong received her CSW license, which expired her temporary permission to practice.

5. From September 17, 2019 until December 9, 2019, Strong continued to provide clinical social work services, which were billed, and to meet with Licensee for supervision without a board-approved supervision contract. When it was determined that Strong was practicing clinical social work without a board-approved contract, a supervision contract was submitted and approved by the Board on December 9, 2019.

6. Licensee filed a response to the complaint filed against her on December 23, 2019 and confirmed the facts of the board-initiated inquiry. Strong further provided supervision logs, signed by Strong and the Licensee, showing that Strong practiced 47 days and received eleven (11) supervision hours between September 17, 2019 and December 9, 2019, while no board-approved supervision contract existed.

7. In her response, Licensee stated that her error was unintentional and based upon her misunderstanding of the social licensure laws pertaining to temporary permission to practice.

8. Subsequently, the Board's complaint committee reviewed the case file and recommended an agreed order to resolve this matter, in lieu of the issuance of a formal

complaint and notice of evidentiary hearing. The Board approved the terms of the agreed order by unanimous vote.

STIPULATED CONCLUSIONS OF LAW

The parties stipulate the following Conclusions of Law, which serve as the legal bases for this Agreed Order:

1. The Licensee's Kentucky social work license is subject to regulation and discipline by the Board.
2. Based upon the Stipulation of Facts, the Licensee has engaged in conduct that violates the provisions of KRS 335.100(3), 201 KAR 23:015 and 201 KAR 23:070. Accordingly, there are legal grounds for the parties to enter into this Agreed Order.
3. Pursuant to KRS 335.150(1), the parties may fully and finally resolve this pending matter without the filing of a formal complaint and an evidentiary hearing by entering into informal resolution such as this Agreed Order.

AGREED ORDER

Based upon the foregoing Stipulation of Facts and Stipulated Conclusions of Law, and based upon their mutual desire to fully and finally resolve this pending investigation without an evidentiary hearing, the parties ENTER INTO the following AGREED ORDER:

1. Licensee shall complete a board-approved LCSW Supervision Training and will cease all board-approved supervision as of the date that this Agreed Order is entered by the Board. Licensee shall provide written notice to a) each temporary permit holder and CSW supervisee who is currently being supervised by her pursuant to a board-approved contract;

and b) to Licensee's employer, if any, that her clinical social work supervision privileges have been suspended. Licensee shall provide a copy of each letter to the Board.

2. Licensee may resume clinical social work supervision after the Board has received the certificate of completion of an approved LCSW Supervision Training course and notified Licensee that the terms of this order have been met;

3. Licensee will ensure that any supervision that she provides in the future to individuals who have not yet passed the CSW exam is done pursuant to a valid temporary permit to practice for each individual supervisee;

4. During the effective period of this Agreed Order, the licensee SHALL BE SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS OF RESTRICTION until further orders of the board:

a. The licensee SHALL NOT engage in the supervision of clinical social work practice or otherwise provide clinical social work supervision unless and until approved to do so by this board; and

b. Licensee SHALL NOT violate any provisions of KRS 335.010 – 335.160.

5. Licensee freely and voluntarily enters into this Agreed Order, motivated by a desire to resolve the issues addressed herein, and has executed this Agreed Order only after a careful reading of it and consultation with an attorney, if she so desires, and a full understanding of all of its terms. The Licensee is fully aware of and expressly waives the right to contest charges in a formal hearing pursuant to KRS 335.155, the right to obtain judicial review of the Board's decision, and the right to appeal any final order of the board to the Franklin Circuit Court as otherwise allowed by KRS 335.155(3).

6. Licensee acknowledges the Board has jurisdiction over the Licensee and the conduct which precipitated this Agreed Order; that the Board has the legal power to take disciplinary action up to and including revocation of the license to practice social work in Kentucky; and the Licensee further acknowledges the Board shall retain jurisdiction over this matter until all terms and conditions set forth in this Agreed Order have been met to the satisfaction of the Board.

7. This Agreed Order is considered a public record as that term is used in KRS 61.800 to 61.850 and may be available for inspection at any time by any member of the public under the Kentucky Open Records Act.

8. This matter shall constitute disciplinary action that may be reportable under state or federal law to the National Practitioner Data Bank.

9. The Licensee expressly understands that any violation of the terms of this Agreed Order shall provide the legal basis for additional disciplinary action, and shall constitute failure to comply with an order of the Board under KRS 335.150(1)(f), and for which the Board may impose additional penalties available under law after notice and an opportunity to be heard.

10. This Agreed Order shall be governed in all respects, whether as to validity, construction, capacity, performance or otherwise, in accordance with the laws of the Commonwealth of Kentucky. Furthermore:

a. Any dispute arising hereunder shall be settled by a state court of appropriate jurisdiction in Franklin County, Kentucky. The parties irrevocably consent to the personal jurisdiction and venue of such court.

b. This Agreed Order may not be modified except by a written agreement signed by the parties.

11. In consideration of execution of this Agreed Order, the Licensee, the Licensee's executors, administrators, successors and assigns, hereby release and forever discharge the Commonwealth of Kentucky, the Board of Social Work, and each of its members, agents, and employees in their individual and representative capacities, from any and all manner of actions, causes of action, suits, debts, judgments, executions, claims and demands whatsoever, known and unknown, the Licensee ever had, now has, may have or claim to have against any or all of the persons or entities named in this paragraph arising out of or by reason of this investigation, this disciplinary action, this Agreed Order, or its administration.

Upon consideration of this Agreed Order, it is hereby ORDERED that the terms of this Agreed Order are approved and adopted.

SO ORDERED on this 29 day of October 2020.
